

FACHEX PROGRAM INFORMATION

FACHEX is an acronym for the Jesuit Faculty and Staff Children Exchange Program. The Conference of Academic Vice Presidents of the AJCU established it in 1971. It is an undergraduate tuition remission program for the dependent children of full-time faculty, administration and staff at participating Jesuit institutions. Those dependents eligible for tuition remission at their parent's school of employment may be able to obtain the same tuition benefit from 26 other Jesuit schools. Summer session enrollment under this program is excluded and students must maintain full-time, undergraduate status to be eligible for the benefit.

1. The student must submit an application for admission to each FACHEX-participating institution of possible attendance. Admission applications must be completed in accordance with each institution's admission requirements and procedures. Eligibility to participate in the FACHEX Program does not qualify a student for admission, nor does admission qualify a student for a FACHEX award.
2. The employee must complete the Saint Louis University FACHEX Program Application and submit it to Shawn McCaw or Julie Martin no later than **October 1**, before the student's fall semester of enrollment at a participating FACHEX institution. Upon certification of the employee's eligibility for the FACHEX Program, the FACHEX coordinators will notify the FACHEX Program coordinator at the institution(s) the student has listed for possible attendance of the student's eligibility to receive a FACHEX Program award.
3. The receipt of a FACHEX award depends on being certified as FACHEX eligible by Saint Louis University, being admitted to the FACHEX-participating institution, and being offered a FACHEX Program award. Each FACHEX institution determines its FACHEX policies and procedures. The FACHEX coordinator at the FACHEX institutions will notify the student that their application has been accepted or rejected for a FACHEX Program award.
4. The institutions to which students were certified as FACHEX eligible will notify students of the outcome of their FACHEX application(s). A copy of this notification is also sent to the national coordinator. Please note that most FACHEX institutions will not consider students for a FACHEX award who have not been academically admitted. FACHEX eligibility does not equate to admission to an institution, or vice versa. These are separate determinations. Consult the FACHEX Coordinator at your schools of possible attendance to ensure that students are timely admitted.
